

2008 SERVICE PARTS PRICE LIST

WELLS

2 Erik Circle ♦ P.O. Box 280 ♦ Verdi, Nevada 89439

WELLS MANUFACTURING COMPANY

SUGGESTED LIST PRICES

PRICES

The prices shown are suggested retail prices. They are effective December 15, 2007 and are subject to change without notice. Invoices reflect prices in effect at time of shipment. These prices are exclusive of all sales taxes or any special taxes that may be levied by Federal, State or City governments. All prices are in U.S. Dollars.

ORDER ENTRY

All parts must be ordered by part number. Please refer to service Manuals, service bulletins and current price lists for correct numbers. If part numbers are not available, please specify model, serial number, voltage, miscellaneous markings, etc. to assist in identification. Additional information concerning any part numbers not shown in this list may be obtained by consulting our Service Parts Department. **Please utilize our fax number (775) 689-5976 for all routine orders. This will expedite your order and eliminate shipping errors.**

TERMS

1%, 10 days; Net 30 days. A 1.5% monthly service charge will be added to all past due accounts. All orders are subject to acceptance by Wells; in accordance with our "Terms of Sale", regardless of any form in which a purchase order is submitted.

MINIMUM ORDER \$50 NET

A \$4.50 handling charge will be applied to all orders under \$50 Net. Notify factory (fax: 775-689-5976) of any shortages of shipments within five (5) working days upon receipt of order.

QUALIFICATION FOR PREPAID FREIGHT

All purchases of \$500 Net of Wells service parts for shipment to one location at one time will have the freight prepaid by Wells to anywhere in the continental U.S., UPS Ground. This includes back orders.

SHIPPING

All orders are normally shipped prepaid via UPS and the cost added to the invoice. Freight orders are normally shipped freight collect. Request for air shipments **must** be faxed or phoned in **prior to 1:00 P.M. Pacific Standard Time** and should be limited to emergencies. All back orders will be charged freight.

DAMAGES AND SHORTAGES

- A. Inspect your shipments immediately. The transportation company is responsible for merchandise while it is in transit to you.
- B. If there is a shortage or damage to your shipment, action must be taken by you to notify carrier within **48 hours** of receipt of shipment to assure approval of claim. It is the duty and responsibility of the delivering carrier to give you a written report of such shortage or damage following notification.
- C. For **visible shortage or damage do not accept delivery unless the condition is noted on your copy of the freight bill and signed by the driver.** If damaged and unacceptable, please advise the carrier of this and also notify Wells.
- D. **CONCEALED DAMAGE:** If the damage is concealed, notify the carrier within 48 hours by phone and in writing, asking them to send their agent to complete an inspection report. **Retain all cartons and merchandise for their inspection report and claim approval.**
- E. It is critical that you file a written claim with the carrier within 48 hours of receipt of shipment for any shortage or concealed damage. Enclose within your claim:
 - 1. **Carrier's Inspection Report**
 - 2. **Paid Freight Bill**
 - 3. **Original or Certified copy of Invoice**

RETURNED GOODS POLICY

Goods cannot be returned without prior approval from Wells Manufacturing. Returned goods must be shipped to Wells Manufacturing prepaid and will be credited at invoice less 20% restocking charge. Returned goods must be in unused, unopened, in the original carton, and returned within 180 days maximum with a copy of the original invoice. Items with dealer net price of less than \$30 will not be accepted unless return is due to factory error. A Return Authorization Number must be obtained from the Service Parts Department, and numbered form with the carton label will be mailed to the customer for each request.
